Week Commencing Monday March 3rd 2014

A huge thank you to Karl

Karl Beetson and his family from Wellingborough are to be congratulated on putting on a magnificent Christmas lights display outside their home back in November/December 2013 and raising an amazing £2,222.00!!! You may have seen them on a Channel 4 documentary last year and they have often featured in women's magazines. This is the second time we have been nominated to receive their support and we are truly grateful. Living just round the corner from this wonderful family, I know how hard they work to put this show together. I am told their electricity bill wasn't too high either!!

There is still plenty of time to enter our 12th Annual Walk due to take place at Wicksteed Park on Sunday March 23rd – start time 10.30a.m. Life at the office is really exciting now as we begin the mammoth task of 'stuffing' the goody bags and checking that we have everything in place. The weather seems to have picked up a little and management at Wicksteeds have assured us that the Park will be fit for purpose following all its renovation work around the lake area.

Please encourage your family and friends to join us. Why not get a team together from where you work? Don't forget to make those crazy hats too! Judges will be round the Park on the day looking to choose the craziest for the many different categories we have.

Awards night is at Wicksteed Park, in the Celebration Suite on Friday March 28th (7.30p.m.)

Be prepared to be amazed at the emotion the Walk shows – together with the warmth and friendship of those who know how breast cancer can affect us.

Sarah's Cakes are a hit!

Sarah Bates and her family, all long-serving supporters and members of Crazy Hats did us proud when a Coffee & Cakes morning was held at her home recently in Rushden raising almost £100.00 and was very well attended. If you would like to organise something similar for us please let us know. I think you will agree this selection of cakes is very appealing!

Weekly Coffee & Chat Mornings

Don't forget to come and see us on a Thursday Morning for our Coffee and Chat Sessions (10.00 a.m. – 1.00p.m.) The kettle is always on and we serve rather nice cakes! Come along and meet our resident therapist, Elaine Henson, to discuss booking in for a treatment.

Many thanks for your continued support. More news next week!
